

FY 07 - Medical – INO-30 Plan Administered by Great-West Healthcare

- Provides **IN-NETWORK-ONLY** coverage.
- Co-pays for routine office visits and labs are **\$30**.
- Co-pays for specialists are **\$50**.
- Individual out-of-pocket maximum **\$1,000** / family out-of-pocket maximum **\$3,000** - Note that these amounts do not include co-payments.
- **Each individual in a family has a separate \$100 prescription deductible.**
- Prescription coverage MAIL ORDER - \$20 generic, \$50 formulary, \$100 non-formulary; all for 90-day supply, all after \$100 prescription deductible for each individual covered has been met.
- Prescription coverage **RETAIL** - \$10 generic, \$25 formulary, \$50 non-formulary; all for **30-day** supply, **all after \$100 prescription deductible has been met.**
- If remaining with your doctor is important to you, or there is a doubt about your doctor's situation, this very well may not be the plan for you. You may want to strongly consider one of the PPO options, as they offer out-of-network coverage.
- Click on the green "Medical" button to the left to access Great-West's Web site to determine if your doctor is part of their PPO network.
